## Accelerating Venture Creation at UVa

Tom Skalak, Vice President for Research
Mark Crowell, Executive Director, UVa Innovation
University of Virginia

#### UVa Innovation – a virtual Accelerator

- 5-7 new companies per year
- ► 50-70 license deals per year
- ► 160-200 invention reports per year
- 60-80 patent apps per year
- Activities across all sectors, but biomedical sector leads the way

- Venture Forward alumni venture mentoring network
- Corporate and foundation innovation partnering
- Manage entrepreneurship and innovation challenge initiatives for students
- Extensive outreach locally, regionally and beyond

#### UVa Innovation – a virtual Accelerator

- Supporting growth of clusters in region and state
  - 42 biotechs in Charlottesville region along – ground zero
- Major role in support of Virginia Bioscience Health Research Consortium
- Major role in recruiting and organizing SE BIO Investor Conference in Nov 2013 – first time ever in Virginia!
- Entrepreneurship
  - Startup Virginia launch (Startup America Partnership)
  - HackCville

- Business development/innovation
  - ▶ iLab
  - Charlottesville Business Innovation Council
  - Central Virginia Small BusinessDevelopment Center
  - Center for Nonprofit Excellence
  - ► TomTom Founder's Fest

### U.Va. Innovation Mobile Site

### The University of Virginia Accelerator: Growing companies and jobs in Virginia

- Accelerator facility bringing together management, funding and space to accelerate launch and growth of UVa start-ups
- Accelerator team is interim management team for all resident companies (at least initially)
- Entrance requirements tougher than incubator; major emphasis on milestones and fundability
- ► 60-70K sq. ft. building; downtown/Main Street location essential
- Lab, office, meeting, and support space for companies
- Ground Zero / Student Faculty Alumni Partnering Union for UVa's Innovation initiatives
